

IOSH

MANAGING SAFELY

兴潼海工

Founded in 1945, IOSH (Institution of Occupational Safety and Health) is the world's largest and only Chartered professional body for health and safety professionals. IOSH is a charity with a simple vision – a safe and healthy world of work for everyone. Headquarter is located in Leicestershire, UK with more than 50,000 members in over 130 countries.

Safety management has become one of the core competitiveness of modern enterprises. IOSH Managing Safely certificate is recognized globally as an important standard to measure the safety management level for international companies and organizations.

As the only authorized firm by IOSH in China, SIOETC is launching 1ST Elite Course of IOSH Managing Safely in Chinese and covers:

1. Introducing Managing Safely;
2. Assessing Risks;
3. Controlling Risks;
4. Understanding Responsibilities;
5. Investigating Accident/Incident;
6. Measuring Performance;
7. Protecting Environment and developing sustainably;
8. Practical training.

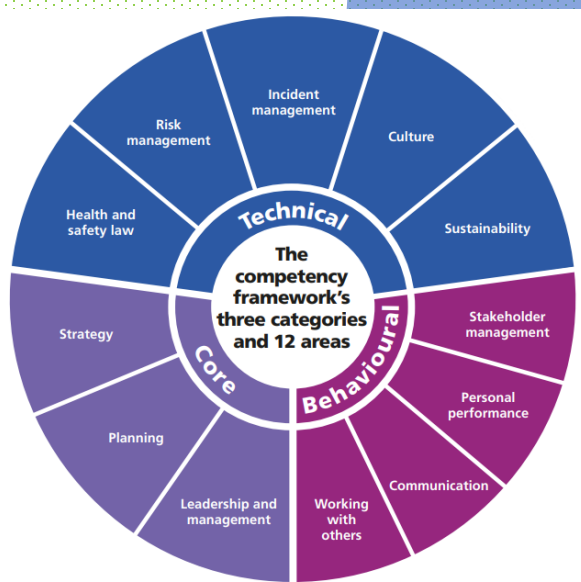

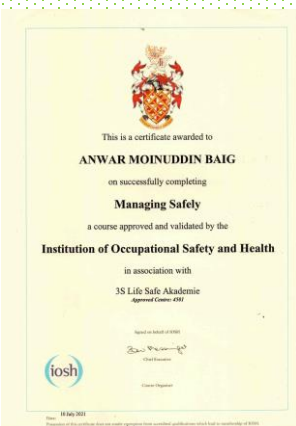

Successful delegates are awarded an IOSH Managing Safely certificate, which is accepted in a wide range of industries.
